Headline:
Cold and windy with some heavy showers.

Today:
Bright or sunny spells and occasional showers throughout the day. The showers will be most frequent in the afternoon, giving some prolonged downpours in places, and will be mixed with hail at times. Feeling cold, especially in the wind. Maximum temperature 6 deg C (43 deg F).

Tonight:
Heavy downpours will continue through the evening, but after midnight showers will become more scattered with some longer drier interludes developing. Strong winds at first will ease by morning. Minimum temperature 2 deg C (36 deg F).

Thursday:
Isolated showers at first on Thursday will soon fade leaving a fine morning with some sunny spells. Clouding over from the west after midday, with rain arriving by evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Friday to Sunday:
Overnight rain clears to sunshine and isolated showers Friday. Milder on Saturday but cloudy with further rain. Cloudy with rain at times on Sunday, but staying mild.
